

Dear Tsuut'ina Nation:

Out of respect for the Liu family we will be lowering the flags at the Administration Building for the day. We would like to extend our deepest condolences to Congbaio Liu and his family. We feel the loss of a long time employee of the Indian Oil and Gas Canada who has worked for many years here on Tsuut'ina Nation.

We would like to send a special thanks to Tsuut'ina Security Co, Tosguna, Property Management and the Elders who has blessed the building to help him make his final journey.

The Chief Joseph Big Plume Building will reopen tomorrow for regular operations.
