## In Memory

On behalf of the Tsuut'ina Nation Fire department we extend our deepest condolences to the family of Jonathan Pace. Jonathan Pace passed away *January 29th, 2025*, in the morning hours at Dulcina Hospice care in Calgary, AB.

Jon served as a dedicated firefighter with the Tsuut'ina Nation Fire Department from 2014-2024. The years before this Jon also served with the Tsuut'ina Nation Police Service, years of service unknown. He was a valuable community member serving both emergency fields within the nation.

Adding to his dedication to helping the nation, Jon also took the role of Emergency Management Officer during covid 2020-2022. His duties included collecting day-to-day data of covid cases on the nation, number of vaccinations, and overall numbers throughout the province. Our meetings would start with Jon saying "Good morning, everyone" as he would read off the 201 incident briefing forms. Jon's legacy and commitment to the nation will live on for ever and he will be for ever missed by his brothers and sisters at Tsuut'ina Nation Fire Dept.

Our prayers and condolences go out to Deanna Big Crow, and Twain Pace (Jons son), the family back home, all other friends and family and to the members of his crew D-SHIFT.
