### INTEROFFICE MEMORANDUM

TO: Tsuut'ina Nation citizens, All Nation Departments & Entities  
FROM: Andrew JR Onespot, Senior Operations Officer  
DATE: August 13, 2025  
RE: **Enmax work along Weaselhead road.**

---

Tsuut'ina Nation Leadership wishes to inform all citizens and staff that ENMAX work currently being conducted along Weaselhead Road has been **temporarily stopped**.

This pause is to allow for a redesign meeting that will ensure adequate safety buffers are in place between the roadway and the power poles. The safety of our Nation members, road users, and workers remains our highest priority, and this step is being taken to ensure the final design meets those standards.

Further updates will be provided once the redesign has been finalized and a new work schedule is confirmed. We thank you for your understanding and patience as we work with ENMAX to achieve the safest possible outcome for our community.

Respectfully,

A blue ink signature of Andrew Onespot JR, written in a cursive style, positioned above a horizontal line.
