FIRE ADVISORY IN EFFECT

A **FIRE ADVISORY** is in effect for Tsuut'ina Nation lands due to potential wildfire danger. These measures will help to reduce the likelihood of any new human-caused wildfire.

Under this **FIRE ADVISORY**:

All existing Fire Permits are suspended (or cancelled)

No new Fire Permits will be issued

Prohibited:

The use of fireworks and exploding targets

Allowed:

All safe outdoor wood fires, including wood campfires on public lands, wood campfires on private land, and designated campgrounds

Backyard firepits

BBQ charcoal briquettes

Propane/natural gas-powered appliances

Open flame oil devices (e.g., turkey deep fryers, tiki torches)

Indoor wood fires contained within a device with a chimney and spark arrestor

All appliances must be CSA approved and used per manufacturer's standards

The recreational use of off-highway vehicles (OHV) on public lands, including designated OHV trails

Off-highway vehicle use is still permitted on private lands
