

POSTPONED!

Green Buffalo Gathering – Zero Emissions Vehicle Awareness Initiative Event

Hello,

Please note that the ZEV showcase event originally scheduled for **August 22** has been postponed. We are committed to ensuring quality engagements and want to provide the opportunity for as many participants to attend as possible. A new date will be shared soon.

Thank you for your understanding, and we look forward to connecting with you at the rescheduled event.

About Four Winds & Green Buffalo

Four Winds & Associates is proud to be the longest-running Indigenous-owned consulting firm in Western Canada. With decades of experience supporting Indigenous governance, development, and innovation, we've launched the Green Buffalo Project to support Indigenous communities in leading the transition to clean energy.

Through ZEVAI, we're developing:

- Interactive learning modules for adults and youth
- A grant navigation portal to help access clean energy and EV infrastructure funding
- Community workshops and school-based sessions on EV literacy
- Support for planning charging stations and fleet transitions

Please reach out if you have any questions. We'd love to see your community or organization represented.
