IMPORTANT BUSING UPDATE

Last week, two drivers surrendered their routes. Southland Transportation is currently working on filling them, and has assured us that they will do everything possible to supply each open route with a Spare Driver every day.

Every day, we will reach out to all the parents and caregivers involved with route updates. The open routes are as follows:

GOOSE 3606 – It is a city route that covers: WOODLANDS, OAKFIELD, CEDARBRAE DAYCARE, 8TH STREET SW, and others.

RAVEN 3631 – The route covers ST CYRIL and ST STEPHENS schools.

We also have a change of driver for the route TURTLE 3604 – the new driver starts on Monday, September 22.

We kindly ask parents and caregivers for patience and understanding as we navigate this situation. Please feel free to reach out if you have any questions or require additional information.
