GENERAL NOTICE TO NATION MEMBERS

GRAVEYARD CLEAN UP

We would like to reach out to the community to respectfully ask family members to go clean up late family members gravesite, we would like to ask if you can remove any broken glass, broken items and any other debris that maybe around the grave.

We ask the citizens if you can have this done by **September 19, 2025**, as Tsuut'ina Culture/Museum along with the graveyard committee will be doing a full clean up of the graveyard.

We are giving the families an opportunity to go clean up graves of their loved ones, so we do not disturb any graves once they are cleaned up.
