RE: **Tsuut'ina Education Department Response to Alberta Teachers' Association Strike Notice**

Dādánast'ádā,

The Tsuut'ina Education Department is aware of the strike notice issued by the Alberta Teachers' Association for October 6, 2025. We understand that this situation may cause uncertainty for families on the Nation.

We want to assure parents, guardians, staff, and students that all Tsuut'ina Education schools and offices **will remain open**, and operations will continue as scheduled. We will be accepting student registration until September 30, 2025. After this date, students will remain enrolled with the department for the remainder of the 2025-26 school year. No student transfers will be accepted after October 1, 2025.

For families whose children attend schools affected by the strike, we encourage you to contact your child's school directly for information on how to support your child's learning during this labour disruption. Each school district will have its own approach to managing the situation, and your child's school is the best source for gathering this information.

Sīyísgààs for your understanding and continued support.

Jonathan Kaiswatum
Director of Education
