Dādánast'ádā,

At this time, we have three open routes —meaning they are without drivers. All the parents/caregivers concerned will be contacted with the new bus name and the approximate time their child(ren) will be picked up. These changes will take effect today, October 29.

The modified routes are as follows:

Nation Schools

Cougar Route – This route was split among four other routes to ensure the children get to school on time or almost on time in the morning. The parents/caregivers of the routes that have been modified will also be contacted with the new pick-up time. The modified routes are:

- 3601 Eagle AM
- 3603 Sasquatch PM
- 3604 Turtle AM
- 3608 Wolf AM & PM
- 3610 Moose AM & PM
- 3622 Weasel PM

Non-Nation Schools

Raven Route – This route covers St. Cyril and St. Stephen's. We have split the route, but we will not be able to pick up any of the students on Weaselhead Rd. until we get a new driver. Parents/caregivers can drop their child(ren) off at the Sportsplex on the west side by 7:55 AM, and the buses will take them to school.

We have a solution for the PM returning home from St. Cyril and St Stephen's. The timing will be longer, but we will get the children home promptly.

Beaver Route – This route covers Tanbridge Academy and Bishop O'Byrne. The children will be taken to the school in the morning. Parents/caregivers can drop their child(ren) at the Sportsplex on the west side by 7:55, and the buses will take them to school; however, we do not

have a bus for the afternoon return home. Parents/caregivers must find alternate transportation until we get a new driver.

We understand the frustrations and apologize for the inconvenience. Hopefully, our transportation provider will find replacement drivers promptly.

Sīyísgáàs,

Manon Blaney
