

Outage details:

Friday, November 21, 2025*

9:00 a.m. – 3:30 p.m.

Duration: 6.5 hours

Reference: 38676

A reliable, safe source of energy.

These upgrades are part of our commitment to ensuring Tsuut’ina homes and businesses have the power they need, when they need it, today and in the future.

**This work could be delayed or rescheduled due to extreme weather or an emergent situation.*

How to prepare for a power outage.

Ensure medical devices have backup battery power.

Electronics will not work during an outage.

Adjust heating/cooling a few hours before the outage.

Keep fridges and freezers closed during the outage.

Utility vehicles may temporarily impact driveway access.

We’re here to help.
