# MEMORANDUM

November 17, 2025

## **RE: Elk meat distribution – all supply claimed**

Due to popular demand all the elk meat supply has now been spoken for. The meat went very fast in less than 2 hours from posting. Thank you to all who reached out. Should additional wild game meat become available in the future, we will prioritize distribution to Nation elders and persons with disabilities.

Thank you,

Conrad Starlight and the Consultation team.
