**TSUU T'INA NATION REPEAL BY-LAW NO. 12.14.14.04.E**

Dear Chief and Council:

I am pleased to inform you that the above-captioned by-law will come into force on March 25, 2014 pursuant to section 82 of the *Indian Act*. Upon having reviewed the repeal by-law, we have determined that we do not have any additional comments to provide.

Please note that if any comments were provided otherwise, these should not be treated as a legal opinion. They are intended as suggestions only, and neither the Minister nor the Department of Aboriginal Affairs and Northern Development Canada can guarantee that a by-law based upon them would be upheld in court. Only a court of competent jurisdiction has the power to rule on a by-law's validity. Furthermore, a submission of any by-law in accordance with our suggestions does not automatically ensure that the by-law will come into force. Any by-law submitted to our office must first be considered in its entirety.

Canada

By-laws made under the *Indian Act* are subject to the *Statutory Instruments Act*. As such, no person may be convicted of an offence for contravening an unpublished by-law unless the Band Council proves that the by-law is exempted from publication in the Canada Gazette and that reasonable steps were taken to bring the by-law to the attention of persons who may be affected by it. An individual has the right to inspect and obtain copies of by-laws.

Although not a requirement, we recommend that First Nations submit their by-laws to our office in draft form prior to enactment whenever possible. An initial review of the draft of a proposed by-law gives First Nations an opportunity to discuss it and also assists in avoiding any major difficulties prior to enactment.

If you wish to discuss this matter or require further information, please contact me at (819) 994-6735 or Jacques Boutin, By-Law Advisor responsible for this file, at (819) 994-7474.

Sincerely,
