## Notice to Families

December 16, 2025

Dzinisi guja,

Thank you for your continued patience and understanding as we work through the restoration process following the water leak in the building.

We are pleased to share that students in Grades 1–3 will return to school on Wednesday, December 17.

At this time, Kindergarten (K5) students will remain at home until Wednesday, January 7, as restoration work is still required in that area of the building. This decision has been made to ensure the space is safe and fully ready for students before they return.

We will continue to closely monitor progress and provide families with any further updates as needed. Thank you for your flexibility and support as we prioritize the safety and well-being of our students and staff.

Please do not hesitate to call (403) 251-9955 if you have any questions.

Siyisgaas,

*Shaylee Sabharwal*
