

HOW DO YOU USE THE LAND?

We want to hear from YOU!

TRADITIONAL LAND USE ENGAGEMENT SESSION

The Tsuut'ina Nation Consultation Department is looking for *active or past land users* 18 years old or older to participate in this 2-day engagement session!

Who is this session for?

- **Hunters**
- **Gatherers**
- **Fishers**
- **Harvesters**
- **Ceremony Participants**

Nation citizens are welcome to share stories and experiences about their land usage, how it has changed over time, and why.

The goal of the Consultation Department is to document the land usage and how inherent treaty rights are impacted by industry and other factors.

This workshop is designed to collect valuable feedback, concerns and insights regarding traditional practices, including hunting, ceremony/gathering, harvesting, and fishing. The intent is to identify accumulative impacts of industry and projects. The feedback gathered will be used exclusively within the Consultation Department to strengthen our position on treaty and inherent rights.
