2026 Sponsorship & Registration Package

Celebrate with Us

Come and join us to celebrate our 50th anniversary milestone at Redwood Meadows Golf Club with an unforgettable event filled with camaraderie, competition, and community spirit. We warmly invite both sponsors and players to participate in this momentous occasion.

As a sponsor, you will have the unique opportunity to showcase your brand to a diverse and engaged audience, while supporting a cherished local institution. Players can look forward to a day of golf on our beautifully maintained course, surrounded by the stunning natural beauty that Redwood Meadows is renowned for.

Whether you're swinging a club or supporting from the sidelines, your presence will help make this anniversary a true celebration of our shared love for the game. Join us in commemorating five decades of golfing excellence and community connection at Redwood Meadows Golf Club.

Our History

In 1940, a brush fire had destroyed most of the area known as Redwood Meadows. The Elders of the Tsuut'ina Nation noticed that after the brush fire, the regrowth of the poplar and spruce trees had a reddish colour to them. The Elders then called this area "Redwood Yard".

In 1972, the Tsuut'ina Nation embarked on an economic development endeavor, to construct an 18 hole championship golf course. The architects, Bill Newis and Stan Leonard took full advantage of the spectacular natural terrain. There are water hazards on seven holes, filled with crystal clear mountain water, straight from the Rockies.

Redwood Meadows meets the criteria of a truly memorable course having 18 individual and distinctive holes, yet retaining a collective continuity from the first tee to the last green. For golfers, Redwood Meadows is a paradise. A genuine challenge of championship caliber where birds and wildlife of all descriptions may well be your companions during your round.

We didn't just set out to create a golf course – we wanted to deliver an experience that is as exciting as it is beautiful. In 2021 we began a major renovation, and elevated the course to bring it up to the standards of what is expected of a world class golf course. It's a whole new game at Redwood Meadows.

THE TOURNAMENT PROCEEDS WILL BE USED TO CONTINUE COURSE IMPROVEMENTS INCLUDING THE TEE BOXES.

Come and Join Us
