As traditional protocol dictates, we strive to serve, protect, and help our greatest resource of knowledge keepers for our tribe, the Elders. Our efforts to uphold much of our gratitude of what they have done for our people, last night we have issued a one-time allotment direct deposit of \$1000 to assist Elders in these very challenging times of global situations that have impacted our people. Along with this allotment we are also issuing two \$100 grocery cards to each Elder in a couple of weeks.

We wish to thank A/CFO Kim Bilan, the Finance department, the Elders' Program, Executive Director Angela Heavenfire, Events Director Wendy Two Guns, Minor Chief Zachary Manywounds, and Minor Chief Hine Crowchild for the assistance, guidance, and support of our endeavour. In efforts of being transparent, the resources for this allotment has come directly from Elders' Program 2025/2026 budget.

Please have a safe weekend, and please be kind to each other.
