Transition

Commūn-I-Tea

Which will be held at John Ware School

Please join us on Thursday, May 7th, from 5:30–6:45 PM in the Learning Lodge at John Ware School for an evening dedicated to Indigenous students transitioning to junior high.

This event will help parents and students feel more confident about the move to a new school.

Together, we will explore:

- **What a junior high schedule looks like**
- **Available option courses**
- **Supports offered in the Indigenous Wellness Lodge**
- **How to read a timetable and navigate the school**

We look forward to welcoming you and supporting a smooth and successful transition into junior high.
