COMMUNITY NOTICE

Heavy Rainfall Warning – Flood Prevention Measures

Dzinisi Guja Tsuut'ina Home Occupants,

Please be advised that a Heavy Rainfall Warning has been issued for our area over the next coming days. With significant rain in the forecast, we urge all residents to take the following precautions to protect your homes from potential flooding:

- **Check sump pumps:** Ensure they are working properly plugged in
- **Monitor your basements:** For any water coming up or seeping in.
- **Secure basement items:** Move valuables and electronics from the basement to the main floor.
- **Ensure downspouts are directed away from the foundation:** This helps prevent water from pooling near your home.
- **Stay informed:** Monitor local weather reports and emergency updates.

Note Its normal for Sump Pumps to run continuously during these times of heavy rainfall, if it's running its helping to prevent flooding in the basement.**

If flooding occurs call the Public Works Office from 8:00 am till 4:00 pm (403) 281-0754 Or
Emergency Phone from 4:00pm till 8:00am (587) 227-8772

Infrastructure Emergency Number (587) 437-3623

Your cooperation is appreciated in helping keep our community safe.

Siyisgaas (thank you) for your cooperation.
