### 2026 Summer Student Employment

Danita'ada,

Happy Pride Month and Happy June, everyone! As I settled back into the office, I wanted to send a quick update.

I have sent out an email regarding forms that need to be completed for either yourself or your child. **Please complete the forms and return them to me as soon as possible. Along with the forms, please provide a void cheque.**

If you are **18 years of age or older**, please also submit your Vulnerable Sector Check (VSC).

For those who have not yet received an email, your application is still pending a work placement. If a placement is not secured, you may be moved to our Summer Employment Camp program.

If you have any questions, please feel free to reach out.
