RE: Program Distinction – Health & Wellness

---

On May 7, 2026, the Tsuut'ina Nation Organization Structure was approved. This organization structure included the distinction of the following programs – Health & Wellness. Please note that moving forward Tsuut'ina Health & Wellness is no longer a combined program/department. It will now operate separately and as follows –

<b>Tsuut'ina Health Services</b>	<b>Tsuut'ina Wellness Program</b>
Location: Health Center	Location: Spirit Healing Lodge
<ul style="list-style-type: none"> <li>• Community Health</li> <li>• Guja Health Education Team</li> <li>• Homecare</li> <li>• Medical Clinic</li> <li>• Medical Laboratory</li> <li>• Medical Transportation</li> <li>• Therapists</li> <li>• Tsuut'ina Health Benefits</li> </ul>	<ul style="list-style-type: none"> <li>• Client Navigator</li> <li>• Culture Team</li> <li>• Day Program</li> <li>• Mental Health Liaison</li> <li>• Outreach/Peer Support</li> <li>• Wellness Team</li> </ul>

\*Names of Programs are subject to change as the distinction process takes place.

The Directors for each program are:

Margo Dodginghorse  
 Director of Health Services

Richard Leblanc  
 Associate Director of Wellness Program  
[richard.leblanc@tsuutina.com](mailto:richard.leblanc@tsuutina.com)

Directors of both programs will be meeting regularly to determine how the programs interconnect and to identify potential areas of collaboration. A new staff directory will be provided to the Tsuut'ina Communications Department in the coming weeks.

Siyisgaas!
