### Siyísgáàs from the TDA

A big Siyísgáàs (thank you) to everyone who attended the Tsuut'ina Development Authority (TDA) Open House on July 2, 2026. We appreciate you taking the time to learn more about what we do in the Taza Development and getting to know the people who make TDA run effectively. Your feedback and input has been invaluable in helping us understand where TDA is succeeding and making a positive impact for the Tsuut'ina Nation and identifying areas where we can continue to improve to best serve the Tsuut'ina Nation. We are grateful for the opportunity to connect with both the Taza and Tsuut'ina community members, stakeholders, and partners. Again, Siyísgáàs for your interest, support, and commitment to helping shape the future of TDA.

We would also like to give a Siyísgáàs (thank you) to the generous donors who supported the TDA Open House with door prizes. To us, this shows good partnership and relationship building between the Taza community and the Tsuut'ina community. We look forward to continuing our relationship with you all.
