

VEGETATION SURVEYING

JULY – SEPTEMBER 2024

TSUUT'INA NATION – VARIOUS LOCATIONS

Work details:

Locations:

Wright Tree Services will be on Tsuut'ina Nation conducting vegetation surveying.

Date and duration:

Wright Tree Services will be on Tsuut'ina Nation in late July 2024, for approximately two (2) months.

Work times:

This work will occur between 8:00 a.m. – 5:00 p.m.

What's happening?

Working on behalf of ENMAX Power, Wright Tree Services will be inspecting electrical infrastructure on Tsuut'ina Nation to determine areas where vegetation management is required to ensure proper clearance. The work will include survey and inspections only, to identify any areas of concern. ENMAX Power will consult the Nation prior to conducting any vegetation management.

We understand that this work may create some inconvenience, and we thank you for your cooperation as we deliver on our commitment to provide safe and reliable power.

If you are a Property Manager for a building affected by this work, please share this notice with your tenants.

TSUUT'INA NATION – VARIOUS LOCATIONS

What to expect:

Below are the things to be aware of related to this project.

During inspections:

- Wright Tree Services personnel and vehicles will be on site.
- In addition to visual surveying, Wright Tree Services may be required to photograph ENMAX Power assets.
- Road signage may be present if crews are working near traffic.

Power outages:

- A power outage is not required to facilitate this work.

Property access:

- Please ensure pets are on leash or placed in a safe and secure area.
- Crews may need to access private property to complete the survey work.
- If you have any concerns with crews entering your property, please contact Robin with the ENMAX Power Customer Relations Team 403-689-9613.

After inspections:

- Upon completion of the inspection work, if there are any areas of concern, ENMAX Power will consult the Nation prior to conducting any vegetation management.

We're here to help.

If you have any questions about this work, please contact Robin with our Customer Relations Team:
