## COMMUNITY NOTICE

## NOTICE TO RESIDENTS ON CISTERN SYSTEMS

### *Water Delivery Service Advisory*

#### **Dzinisi Guja Tsuut'ina Home Occupants,**

This notice for households that operate off a **cistern system**. Our water delivery service is currently operating with **only one water truck**, as the second truck is down for repairs.

As a result, we are only able to deliver limited amounts of water per home in order to meet demand.

#### **We are asking all residents to:**

- **Limit water usage and weekly consumption**
- **Conserve wherever possible**
- **Prepare for potential delivery delays**

If your cistern runs empty, please be aware there may be a **wait time** before a refill can be delivered.

We appreciate your patience and cooperation while we work to restore full service as soon as possible.

Siyisgaas,

**Tsuut'ina Public Works Infrastructure Dept.**
