Pro Skateboarders Coming to

TSUUT'INA!

We're thrilled to share that professional skateboarders from TOY MACHINE - one of the top skate teams in the world - will be coming to Tsuut'ina on July 18th!

This is a once-in-a-lifetime opportunity for local youth to connect with some of the best skaters on the planet, including Cordano Russell, Canada's top Olympic Skateboarder.

The team is touring across Treaty 7 to host skateboarding demos, meet local youth, and promote the power of skateboarding as a tool for connection, confidence and community.
